FINANCIAL POLICY

Thank you for choosing Midwest Neurosurgery and Spine Specialists. The following is a statement of our FINANCIAL POLICY. All patients must accept our financial policy guidelines before receiving treatment. Please understand that full payment of your bill is considered a part of our treatment.

REGARDING YOUR INSURANCE: As a courtesy to you, we will submit medical claims to your insurance company. **Any balance after processing of our claim by your carrier is your responsibility.** Your insurance policy is a contract between you and your insurance company. **You are responsible for verifying if providers are in-network with your insurance company.** We cannot bill your insurance company unless you give us your complete insurance information for commercial insurance, Medicare and Nebraska & Iowa Medicaid. It is your responsibility to know your insurance benefits; it may not cover all of the services provided to you.

WHEN SURGERY IS RECOMMENDED: You will be contacted by our Financial Consultant to discuss possible out of pocket costs, if you have a high deductible or if your insurance is out of network, we will help you make the necessary payment arrangements. Post operative visits will be at no charge to you within the first 90 days. This does not apply to radiological services. After the initial 90 days, you will be responsible for co-pays, co-insurance, or deductible if applicable.

SELF-PAY PATIENTS: We **require \$150 down payment at the initial consultation.** Financial arrangements will need to be made PRIOR to any other services provided, including any radiological exams or surgical procedures. Failure to pay this will result in cancellation of your appointment.

WORKERS COMPENSATION: All workers compensation visits **must be authorized BEFORE your visit,** if this is not done, **your appointment will be cancelled.** You must provide us with the responsible party's information, including their name, address, phone number, claim number and date of injury. If this information is not provided at the time of service, you are responsible for this balance, which is expected to be paid within 30 days to avoid further collection activity.

PERSONAL INJURY: We require **\$250 down payment at the initial consultation.** All radiological services provided by Midwest NeuroImaging will require 50% down payment. If surgery is suggested, we require payment in full prior to the procedure, unless other arrangements have been made prior to your visit here. **We do not bill attorneys.**

METHOD OF PAYMENT: We accept Cash, Check, Visa and MasterCard. Payment plans may be arranged on an individual basis with the Billing Department in our office. **All co-pays are due prior to treatment.** We reserve the right to cancel your appointment if your co-pay is not paid at the time of service.

COLLECTIONS: We reserve the right to forward your account to a collection agency if it is determined to be uncollectible. An administrative fee of \$10.00 will be applied to your account if it is turned over to collections.

I have read, understand, and agree to the above financial policy for payment of professional fees. I understand the patient is ultimately responsible for all professional fees. My signature also represents knowledge of the attached No Show Policy.

“NO SHOW” POLICY

Below is our “NO SHOW” policy for office appointments. An increasing number of patients not showing up for their appointments necessitates the need for a policy addressing patients who do not show up or call at least 24-hours in advance to cancel appointments.

Patients who “No-Show” at their appointment result in a number of efficiency issues, but most of all, they keep another patient who may have needed an appointment from being seen at that time.

We hope that we can count on you in the future to cancel or reschedule your appointments at least 24 hours in advance. We look forward to continuing to serve you in the future.

1st NO SHOW: A letter is mailed to the patient to remind them.

2nd NO SHOW: Patient charged \$50.00*

3rd NO SHOW: Patient will be charged \$150 for an office visit.*

4th NO SHOW: Patient is dismissed from the practice.

* NO SHOW penalties must be paid before patient can be seen.

NO SHOW is any missed appointment, or any appointment that is not cancelled 24 hours in advance.

This policy applies to a 12-month period and not a calendar year.

Penalties must be paid before patient can be seen.
